LEAH-AH-AH-AH,AH

Circle Game by JONI MITCHELL

C,F,C,F, G,C,F,C,F, C - (Chorus) - C,F,C,F,C,F,C,F,C,F,C

Yesterday a child came out to wonder.

Caught a dragon fly inside a jar.  
Fearful when the sky was full of thunder  
and tearful at the falling of a star.

And the seasons they go round and round  
and the painted ponies go up and down,  
we're captive of a carousel of time.  
We can return we can only look behind from where we came  
and go round and round and round in the circle game.

Then the child moved ten times round the season.  
Painted over ten clear frozen streams.  
Tears like when you're older must appease him.  
And promises of someday make him dream.

Chorus And the seasons.....

So the years spin by and now the boy is 20 .  
His dreams have lost some grandeur coming true,  
but there'll be new dreams, maybe better dreams and plenty  
before his last revolving year is through.

Chorus And the seasons.....

Sixteen springs and sixteen summers gone now  
cart wheels turn to car wheels through the town  
and they tell him take your time now  
till you drag your feet to slow the circles down

Chorus And the seasons.....

## Moondance

Well, it's a marvelous night for a Moondance  
With the stars up above in your eyes  
A fantabulous night to make romance

'Neath the cover of October skies  
And all the leaves on the trees are falling  
To the sound of the breezes that blow  
And I'm trying to please to the calling  
Of your heat-strings that play soft and low  
And all the night's magic seems to whisper and hush  
And all the soft moonlight seems to shine in your blush

Chorus:

Can I just have one a' more Moondance with you, my love  
Can I just make some more romance with a-you, my love

Well, I wanna make love to you tonight  
I can't wait 'til the morning has come  
And I know that the time is just right  
And straight into my arms you will run  
And when you come my heart will be waiting  
To make sure that you're never alone  
There and then all my dreams will come true, dear  
There and then I will make you my own  
And every time I touch you, you just tremble inside  
And I know how much you want me that you can't hide

Chorus

Repeat 1st Verse

One more Moondance with you in the moonlight  
On a magic night  
La, la, la, la in the moonlight  
On a magic night  
Can't I just have one more dance with you my love

CHILDREN GO WHERE I SEND THEE  
Peter, Paul & Mary

Children go where I send thee

How shall I send thee?

Well, I'm gonna send thee one by one  
One for the little bitty baby  
Who was born, born, born in Bethlehem  
Said he was born, born, born in Bethlehem

Children go where I send thee:

How shall I send thee?

Hey, I'm gonna send thee two by two  
Two for Paul and Silas  
One for the itty bitty baby  
Who was born, born, born in Bethlehem.

Children go where I send thee:

How shall I send thee?

(\*repeat, singing verses in descending order\*)

I'm gonna send the:

three by three, three for the Hebrew children  
four by four, four for the four that stood at the door  
five by five, five for the five that stayed alive  
six by six, six for the six that never got fixed  
seven by seven, seven for the seven who never got to heav'n  
eight by eight, eight for the eight that stood at the gate  
nine by nine, nine for the nine that dressed so fine  
ten by ten, ten for the ten commandments  
He was born, born, born in Bethlehem.

## THE CAT CAME BACK

Old farmer Johnson had troubles of his own,  
He had a yellow cat that wouldn't leave his home  
He tried and he tried to get the cat away  
But the cat came back the very next day.  
Oh...

Chorus: The cat came back the very next day

Oh, the cat came back They thought he was a gonner  
But the cat came back  
He just wouldn't stay away, away, away, away

The man around the corner swore he'd shoot that cat on site  
He loaded up his shotgun with nails and dynamite  
He waited and he waited for the cat to come around  
But 97 pieces of the man was all they found and... (chorus)

He gave it to a man going up in a balloon  
And told him for to give it to the man in the moon  
Balloon came down 500 miles away  
But the cat came back the very next day, Oh... (chorus)

He gave it a man going way out west  
And told him for to give it to the one he loved the best  
First the train hit the track and then it jumped the rail  
And no one else was left alive to tell the gruesome tale, but... (chourus)

The A-bomb fell just the other day  
And H-bomb came in the very same way  
Russia went, Europe went and then the USA  
The human race was finished without a chance to pray  
BUT... THE... Cat came back...

## FATHER AND SON

(Cat Stevens, from Tea for the Tillerman, 1970?)

It's not time to make a change, just relax and take it easy  
You're still young that's your fault,  
there's so much you have to know  
Find a girl, settle down, if you want to, you can marry  
Look at me, I am old, but I'm happy  
I was once like you are now, and I know that its not easy  
to be calm, when you've found something going on.

But take your time, think a lot, think of everything you've got  
For you will still be here tomorrow, but your dreams may not

Chorus:

How can I try to explain? when I do he turns away again  
it's always been the same, same old story

From the moment I could talk I was ordered to listen  
now there's a way and I know I have to go away  
and I know I have to go

Verse:

(away) (away)  
It's not time to make a change, just sit down and take it slowly  
(I) (know) (I have)  
You're still young, that's your fault, there's so much you have  
(to make this)  
to go through  
(decision) (alone)  
Find a girl, settle down, if you want to you can marry  
(know) [no?]  
Look at me, I am old, but I'm happy  
(stay) (stay, stay)  
All the times that I cried, keeping all the things I knew inside  
(why?) (must) (you go and make this de-  
cision) (alone?)  
It's hard, but it's harder to ignore it.  
If they were right, I'd agree, but it's them they know, not me  
Now there's a way, and I know that I have to go away.  
I know I have to go.

Cat's In The Cradle

Words and music by  
Harry Chapin and Sandy Chapin

My child arrived just the other day;  
he came into the world in the usual way.  
But there were planes to catch, and bills to pay.  
He learned to walk while I was away.  
And he was talkin' 'fore I knew it. And as he grew  
he'd say, "I'm gonna be like you, Dad. You know I'm gonna be like you."

And the cat's in the cradle and the silver spoon,  
little boy blue and the man in the moon.  
"When you comin' home Dad?" "I don't know when,  
but we'll get together then, Son. You know we'll have a good time then."

My son turned ten just the other day.  
He said, "Thanks for the ball, Dad. Come on, let's play.  
Can you teach me to throw?" I said, "Not today.  
I got a lot to do." He said, "That's okay."  
And he walked away, but his smile never dimmed.  
It said, "I'm gonna be like him, yeah. You know I'm gonna be like him."

And the cat's in the cradle and the silver spoon,  
little boy blue and the man in the moon.  
"When you comin' home Dad?" "I don't know when,  
but we'll get together then, Son. You know we'll have a good time then."

Well, he came home from college just the other day,  
so much like a man I just had to say,  
"Son, I'm proud of you. Can you sit for a while?"  
He shook his head and he said with a smile,  
"What I'd really like, Dad, is to borrow the car keys.  
See you later. Can I have them please?"

And the cat's in the cradle and the silver spoon,  
little boy blue and the man in the moon.  
"When you comin' home Son?" "I don't know when,  
but we'll get together then, Dad. You know we'll have a good time then."

I've long since retired, my son's moved away.  
I called him up just the other day.  
I said, "I'd like to see you if you don't mind."  
He said, "I'd love to, Dad, if I could find the time.  
You see, my new job's a hassle and the kids have the flu,  
but it's sure nice talkin' to you, Dad. It's been sure nice talkin' to you."  
And as I hung up the phone it occurred to me,

he'd grown up just like me. My boy was just like me.

And the cat's in the cradle and the silver spoon,  
little boy blue and the man in the moon.

"When you comin' home Son?" "I don't know when,  
but we'll get together then, Dad, we're gonna have a good time then."

## IF I HAD A HAMMER

(Seeger/Hayes)

If I had a hammer, I'd hammer in the morning  
I'd hammer in the evening, all over this land

I'd hammer out danger, I'd hammer out a warning,  
I'd hammer out love between my brothers and my sisters,  
all over this land.

If I had a bell, I'd ring it in the morning,  
I'd ring it in the evening, all over this land

I'd ring out danger, I'd ring out a warning  
I'd ring out love between my brothers and my sisters,  
all over this land.

If I had a song, I'd sing it in the morning,  
I'd sing it in the evening, all over this land

I'd sing out danger, I'd sing out a warning  
I'd sing out love between my brothers and my sisters,  
all over this land.

Well I got a hammer, and I got a bell,  
and I got a song to sing, all over this land.

It's the hammer of Justice, it's the bell of Freedom,  
it's the song about Love between my brothers and my sisters,  
all over this land.

It's the hammer of Justice, it's the bell of Freedom,  
it's the song about Love between my brothers and my sisters,  
all over this land.

## LEAVING ON A JET PLANE

(John Denver)

All my bags are packed, I'm ready to go  
I'm standing here outside your door  
I hate to wake you up to say goodbye  
But the dawn is breakin', its early morn  
The taxi's waiting, he's blowin' his horn  
Already I'm so lonesome I could cry.

(Chorus)

So kiss me and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go.  
I'm leavin' on a jet plane  
I Don't know when I'll be back again  
Oh, babe, I hate to go.

There's so many times I've let you down  
So many times I've played around  
I tell you now, they don't mean a thing  
Every place I go, I think of you  
Every song I sing, I sing for you  
When I come back, I'll wear your wedding ring.

(Chorus)

Now the time has come to leave you  
One more time let me kiss you  
Then close your eyes, I'll be on my way.

Dream about the days to come  
When I won't have to leave alone  
About the times, I won't have to say.

(Chorus)

**THIS LAND IS YOUR LAND (Woody Guthrie)**

(Chorus)

This land is your land, this land is my land,  
From California, to the New York Island,  
From the Redwood Forest, to the Gulf Stream Waters,  
This land was made for you and me.

I roamed and rambled, and I followed my footsteps  
To the sparkling sands of her diamond deserts  
And all around me a voice was singing  
This land was made for you and me!

(Chorus)

As I went walking that ribbon of highway  
I saw above me that endless skyway  
I saw below me those golden valleys  
This land was made for you and me!

(Chorus)

As the sun was shining, and I was strolling,  
And the wheat fields waving, and the dust clouds rolling,  
As the fog was lifting, a voice was saying\*  
This land was made for you and me!

(Chorus)

## Mockingbird

Mock, yeah. Ing, yeah. Bird, yeah. Yeah, yeah. Mockingbird now everybody.

Have you

heard? He's gonna buy me a mockingbird. A mockingbird.

And if that mockingbird don't sing, he's gonna buy me a diamond ring. A diamond ring. And

if that diamond ring don't shine. Ring don't shine.

It will surely take that heart of mii-ee-ii-ee-ine and that's why I keep on tellin'

everybody sayin' yeah yeah whoa whoa whoa whoa whoa oh oh oh oh. Mama. (Big musical

bridge here.) So everybody have you heard, he's gonna buy me a mockingbird.

A mockingbird and that's why I keep on telling everybody sayin' yeah yeah whoa whoa

whoa whoa whoa oh.

I think that's it but there might be another verse.

## MOCKINGBIRD

Hush little baby, don't say a word

Pappa's gonna buy you a mockingbird

If that mockingbird don't sing

Pappa's gonna buy you a diamond ring

If that diamond ring turns brass

Pappa's gonna buy you a lookin' glass

If that lookin' glass gets broke

Pappa's gonna buy you billy goat

If that billy goat don't pull

Pappa's gonna buy you a cart and bull

If that cart and bull turns over

Pappa's gonna buy you a doggie named Rover

If that dog named Rover don't bark  
Pappa's gonna buy you a horse and cart

If that horse and cart fall down  
You'll still be the sweetest little baby in town.

## SWIMMING SWIMMING

I make no promises or guarantees on the spelling. Remember, each line gets repeated.

Swimming, Swimming. In the Swimming Pool, When days are hot, When days are cold, In

the Swimming Pool, Breast Stroke, Side Stroke,

Fancy Diving Too, Now don't you wish that you had nothing else to do!

There are also some very cool hand movements that go with this song.

## SWIMMING SWIMMING (another version)

swimming swimming in the swimming hole..when days are hot, when days are cold in the

swimming hole, breast stroke, side

stroke, fancy diving too.. wouldn't it be nice if we could go swimming too...

then you repeat the whole thing but each time deleting a line and humming it instead!

## THE TITANIC

Oh they built the ship Titanic to sail the ocean blue, and they thought they had a ship

that the water would never leak through, but

the lord's almighty hand knew this ship would never stand. It was sad when that great ship

went down...

I was sad it was sad, it was sad when the great ship went down to the bottom of the...

uncles and aunts, little boys lost their pants,

it was sad when the great ship went down.

Oh, they sailed from England, and were almost to the shore, When the rich refused to associate with the poor, So they put them down below, where they were the first to go.

The boat was full of sin, and the sides about to burst, When the captain shouted, "A-women and children first! Oh, the captain tried to wire, but the lines were all on fire.

Oh, they swung the lifeboats out over the deep and raging sea, When the band struck up with, "A-nearer My God to Thee." Little children wept and cried, as the waves swept over the side.

Oh, they built another ship called the SS92 and the stern was red and the bow blue and the christened it with gin and the whole damn thing went in.

#### THE TITANIC COMMENTS

Of course Camp Leah had a few special lyrics of it's own. As noted, our chorus was :

Uncles and aunts, little boys/girls lost their pants  
But the real chorus is

Husbands and wives, little children lost their lives

Real lyric:

the captain shouted, "A-women and children first!"

Camp lyric:

the captain shouted, "My wife and I go first!"

Real lyric:

they christened it with gin and the whole damn thing went in.

Camp lyric:

they christened it with beer and it sank right off the pier

Camp lyrics may not be historically accurate but are much more entertaining!

Rise and shine

Rise and Shine and give god your glory glory,  
Rise and Shine and give god your glory glory  
rise and shine and give god your glory glory,  
children of the lord.

The lord said to Noah there going to be a floody floody,  
The lord said to Noah there going to be a floody floody  
Get those children out of the muddy muddy,  
children of the lord

So Noah he built him, he built him an arkie arkie,  
Noah he built him, he built him an arkie arkie  
He made it out of hickory barkie barkie,  
children of the lord

The animals they came on they came on by twoseys twoseys,  
animals they came on they came on by twoseys twoseys,  
Elephants and kangaroooses rooses,  
children of the lord

It rained and rained for forty daysies daysies,  
it rained and rained for forty daysies daysies,  
drove those animals nearly crazy crazy,  
children of the lord.

The sun came out and dried up the landy landy,  
The sun came out and dried up the landy landy,  
everything was fine and dandy dandy,  
children of the lord.

## HEAD SHOULDERS KNEES AND TOES

Head, Shoulders, Knees, and Toes, Knees and Toes,  
Head, Shoulders, Knees and Toes, Knees and Toes,  
and Eyes and Ears and Mouth and Nose;  
Head, Shoulders, Knees and Toes, Knees and Toes.

**THE MARVELOUS TOY**  
(Tom Paxton)

When I was just a wee little lad, full of health and joy,  
My father homeward came one night and gave to me a toy.  
A wonder to behold it was with many colors bright  
And the moment I laid eyes on it, it became my heart's delight.

(Refrain)

It went "Zip" when it moved and "Pop" when it stopped,  
"Whirrr" when it stood still  
I never knew just what it was and I guess I never will.

The first time that I picked it up I had a big surprise  
Cause right on the bottom were two big buttons  
That looked like big green eyes  
I first pushed one and then the other, then I twisted it's lid  
And when I set it down again, here is what it did:

(Refrain)

It first marched left, and then marched right  
And then marched under a chair  
And when I looked where it had gone it wasn't even there  
I started to cry, but my daddy laughed cause he knew that I would find,  
When I turned around my marvelous toy would be chugging from behind.

(Refrain)

The years have gone by too quickly it seems, I have my own little boy  
And yesterday I gave to him my marvelous little toy:  
His eyes nearly popped right out of his head  
And he gave a squeal of glee!  
Neither one of us knows just what it is but he loves it just like me!

It still goes... (refrain)

**DAY IS DONE** (Peter Yarrow)

Tell me why you're crying, my son  
I know you're frightened, like everyone  
Is it the thunder in the distance you fear?  
Will it help if I stay very near?  
I am here.

(Refrain)

And if you take my hand my son  
All will be well when the day is done.  
And if you take my hand my son  
All will be well when the day is done.

Day is done, Day is done  
Day is done, Day is done

Do you ask why I'm sighing, my son?  
You shall inherit what mankind has done.  
In a world filled with sorrow and woe  
If you ask me why this is so, I really don't know.

(Refrain)

Tell me why you're smiling my son  
Is there a secret you can tell everyone?  
Do you know more than men that are wise?  
Can you see what we all must disguise  
through your loving eyes ?

(Refrain)

WHERE HAVE ALL THE FLOWERS GONE (Pete Seeger)

Where have all the flowers gone, long time passing?  
Where have all the flowers gone, long time ago?  
Where have all the flowers gone?  
Young girls have picked them everyone.

Oh, when will they ever learn? Oh when will they ever learn?

Where have all the young girls gone, long time passing?

Where have all the young girls gone, long time ago?

Where have all the young girls gone,  
gone for husbands everyone.

Oh when will they every learn? Oh when will they ever learn?

Where have all the husbands gone, long time passing?

Where have all the husbands gone, long time ago?

Where have all the husbands gone,  
gone for soldiers everyone

Oh when will they ever learn? Oh when will they ever learn.

Where have all the soldiers gone, long time passing?

Where have all the soldiers gone, long time ago?

Where have all the soldiers gone?

Gone to graveyards, everyone.

Oh, when will they every learn? Oh when will they ever learn?

Where have all the graveyards gone, long time passing?

Where have all the graveyards gone, lone time ago?

Where have all the graveyards gone?

Gone to flowers, everyone.

Oh, when will they ever learn? Oh when will they ever learn?

Where have all the flowers gone, long time passing?

Where have all the flowers gone, long time ago?

Where have all the flowers gone?

Young girls have picked them everyone.

Oh, when will they ever learn? Oh when will they ever learn?

## THE GIRLS CAME BACK (TO THE TUNE OF THE CAT CAME BACK)

We all were campers on senior side  
watching Armstrong land on the moon with pride  
panty raids, schmutz hunts, bunks open to the weather  
Thirty years later and we are still together  
and the girls came back the very next year  
But when the girls got back Edalia changed to Leah  
but the girls came back we just couldn't stay away away away away

The art budget was tight but we just didn't care  
leaf mobiles, painted rocks, ribbons in our hair

Canoe trips were fun, they'd drop us off and run  
we made it down the Delaware without drowning anyone.  
and girls came back year after year  
oh the girls came back who would have thought it  
but the girls came back we just couldn't stay away away away away

On the field we ran through the toxic bug spray  
it's amazing we don't have 3 eyes today  
who would have thought it could have caused our death  
thank god half the time we held our breath  
and the girls came back year after year  
oh the girls came back each year a little smarter  
but the girls came back we just couldn't stay away away away away

We all have memories about Teen Rock  
getting caught with a joint or a smoke on the dock  
they'd drag us to the office, make us stay all day  
we're so happy that they never told Jay.  
and the girls came back year after year  
oh the girls came back who would have thought it  
but the girls came back we just couldn't stay away away away away

To get away from counselors  
We'd hang out in the johns  
We'd talk about the boys  
and learn to use tampons  
Practicing for oneg really was a drag  
But we really liked the socials after Sadie Hawkins tag  
and the girls came back year after year  
oh the girls came back who would have thought it  
but the girls came back we just couldn't stay away away away awa

LTG side was really the best  
Annie Get Your Gun-- our play about the west  
we'd hike to Lake Welch and hitch a ride back  
leaving all the others to carry our pack  
but the girls came back year after year  
oh the girls came back who would have thought it

yes--the girls came back we just couldn't stay away away away away

{Karen's solo...}

Life girl year was a great one for me

It's here I lost my virginity

{Rita's solo...}

My mom said I couldn't go-- the fee was too steep

so I hitched up the parkway at least once a week

but the girls came back year after year

but the girls came back who would have thought it

but the girls came back we just couldn't stay away away away away

{Rachel's solo...}

Staff on senior side was lots of fun

We could get drunk until a quarter to one

{Donna's solo}

We'd mix up the vodka and the funny face

we'd be late for round up and they'd get on our case

{all together now...}

but the girls came back year after year

and the girls came back who would have thought it

but the girls came back we just couldn't stay away away away

Now were very grown up with stories to tell

to our kids about the camp that we loved so well

No computers, no TV, no electricity

no flush toilets for you and me.

Now we can't go back, year after year

no we can't go back, although we'd really love to

we can't go back, but our memories WON'T fade away, away, away, away..

**SARGE, I'M ONLY 18**

I'm just a typical boy

From an anti-Vietnam town

I believe in God

And Senator Dodd

And kepping old Castro down

But when it came my time to serve  
I knew better red than dead  
So I went to my local draft board seargent  
And this is what I said

Saaaaaarge I'm only 18, I've got a ruptured spleen  
And I always carry a purse.  
I've got eyes like a bat and my feet are flat  
And my asthma's getting worse.  
Well, think of my career, my sweetheart dear,  
My poor old invalid aunt.  
`Sides I ain't no fool, I'm a going to school  
And I'm working in a defense plant.

I got a dislocated disk, got a wracked up back,  
I'm allergic to flowers and bugs  
And when the bombshell hits I get epileptic fits,  
I'm addicted to 1000 drugs.  
I got the weakness woes can't touch my toes,  
can't hardly reach my knees  
and if the enemy gets close to me,  
they'll probably start to sneeze.

(Chorus)

So I wish you well Sarge, give em hell,  
kill me a thousand or so.  
And if you ever get a war without blood and gore  
well I'll be the first to go. Yee Haaaa.

Rocky Raccoon:

Now somewhere in the black mining hills of Dakota  
There lived a young boy named Rocky Raccoon  
And one day his woman ran off with another guy  
Hit young Rocky in the eye. Rocky didn't like that

He said I'm gonna get that boy  
So one day he walked into town  
Booked himself a room in the local saloon.

Rocky Raccoon checked into his room  
Only to find Gideon's bible  
Rocky had come equipped with a gun  
To shoot off the legs of his rival  
His rival it seems had broken his dreams  
By stealing the girl of his fancy  
Her name was Magill and she called herself Lil  
But everyone knew her as Nancy.  
Now she and her man who called himself Dan  
Were in the next room at the hoe down  
Rocky burst in and grinning a grin  
He said Danny boy this is a showdown  
But Daniel was hot and he drew first and shot  
And Rocky collapsed in the corner  
(Ahhhh, Da da da da da Da da da da da doo doo doo doo doo...)  
Now the doctor came in stinking of gin  
And proceeded to lie on the table  
He said Rocky you met your match  
And Rocky said, Doc it's only a scratch  
And I'll be better, I'll be better Doc as soon as I am able.

Now Rocky Raccoon he fell back in his room  
Only to find Gideon's bible  
Gideon checked out and he left it no doubt  
To help with good Rocky's revival.  
(Ahhhh, yeah, yeah, Doo doo doo doo doo Doo doo doo doo doo)  
Come on Rocky....  
Come on Rocky....  
Sorry, Rocky.

Camp in Bear Mtn

There is a Camp in Bear Mtn in which we all know.  
So it boggles the mind that we still all go.

What you are about to hear is a camper's own story.  
About the legend of Leah in all of its glory.  
I just got finished with lousy school.  
It is summer time so things are really cool.  
Until Dad and this woman in bed I found.  
The next thing I knew I was Leah bound.

(Chorus:

In Leah you may not have any fun.  
But we all learned how to run.  
And you know what happens if we're slow.  
Look at that camper go!!  
Another runaway. )

We have the cleanest windows you ever saw.  
And the beds are made of the finest straw.  
But you can't watch TV cause there kind of dim.  
So we watch the naked girls after general swim.  
We're told to make are bed from day to day so the counselor and his girl have  
a place to lay.  
Did I tell you that the counselors are really nice.  
Except for the day my head was full of lice.

(Chorus)

The kitchen has pros right up to the boss.  
They know my heart Mcdonalds secret sauce.  
And you always get a balanced meal.  
A fifty, fifty chance you'll live through the veal.

(chorus)

We got no bear hunting, we got no bear, but we do have Monty some where out  
there.  
And if I said we rode horses I would be a liar, but we do get to set  
caterpillars on fire.  
The wildlife is always easy to sight, cause the bats enjoy flying in your face all  
night.

I can watch raccoons all evening you know.  
I have little choice because they chew on my toe.

(Chorus)

The bus is now leaving this camp up state.

I have to go right now I can't be late, But I'll always remember this place I  
been, cause for the last 3 weeks I been holding it in

(Chorus and "come back bus!!!)

Okay I'm going back to sleep now I'm getting older that took alot out of me.  
Love to all.

The oatmeal they serve is really good. For cubbies and anything made of wood,  
and the meatloaf they say is aok as long as you forget they cleaned the johns  
today - Then chorus.
